

ATLANTIS

ATLANTIS rosé

This pleasant rosé wine comes from the volcanic island of Madeira.

Dry and fruity, the Atlantis rosé has a refreshingly crisp acidity which has become its trademark.

Atlantis is produced by Madeira Wine Company, owners of the famous Madeira wine brands such as Blandy's, Miles, Cossart Gordon and Leacock's.

Harvest overview

Was a really great year with the vineyards having an exceptional quality. This year the weather was mostly sunny and dry on the west coast, that gave a fantastic maturation, making as a result a wonderful high quality grape.

Grape Origins

Primarily sourced from selected growers on the warmer southern vineyards of the Câmara de Lobos and Campanário areas.

Grape Variety

100% Tinta Negra

Vinification

The grapes were carefully selected, destemmed and cooled to 14°C. The must macerated on the skins for 24h in stainless steel vats at a controlled temperature of 18°C. Following separation of the skins, the fermentation got under way at a controlled temperature of 18°C. The process took 12 days.

Maturation

The wine was kept in cooled stainless steel vats for 4 months, after which it was bottled to retain its freshness and fruity aroma.

Bottling

2019

Analysis

Alcohol: 11% vol.

Total acidity: 8,54 g/l

pH: 2.92

Residual Sugars: 8,0 g/l

Consumption

Appelling for the good moments of life, drinking with the friends and paired with Mediterranean gastronomy, also excellent with simple cooked seafood and fish.

Ideally served between 9°-11°C.

Winemaker

Francisco Albuquerque

Tasting Notes

The colour and tonality is pale pink, on the nose you can feel the evidence of strawberry and pomegranate. In the mouth is a little fruity – vibrant and seductive.
